

### SUPPORT YOUR LOCAL VOLUNTEER FIRE DEPARTMENTS

Our fire fighters have everything they need, but your local first responders to a wildland fire may not. Contact your local volunteer fire department to see what resources they need. Supporting them can help provide essential training and equipment that will help prepare them for future fires.

### THE AMERICAN RED CROSS OF WYOMING

The American Red Cross of Wyoming is providing services such as lodging, food, medical & mental health support, and emergency needs for individuals.

If you need assistance or wish to provide support to the American Red Cross of Wyoming, call 970-440-7499 or message [facebook.com/redcrosswyoming](https://www.facebook.com/redcrosswyoming).
