TETON COUNTY / WYOMING

Winter Road & Weather

YOUR DIGITAL INFORMATION TOOLKIT

WINTER 2026–27

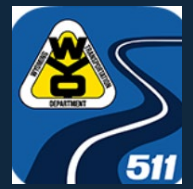

Teton County WY Emergency Management

START HERE

Three essential sources

Each system has a distinct role. Save all three before winter travel.

State highway conditions

WYDOT 511: state road closures, cameras, travel impacts and forecasts.

SIGN UP FOR WYDOT 511 NOTIFY ↗

Local emergency alerts

Teton_WY Alerts: county and town emergencies, evacuations and local closures.

SIGN UP FOR ALERTS ↗

Weather forecasts

NWS Riverton: weather forecasts, watches, warnings and radar.

NWS RIVERTON ↗

DRIVING

Know the road before you go

WYDOT operates Wyoming 511; choose the route you will travel.

WYDOT 511

Current road conditions, state highway closures, cameras and travel forecasts. Dial 511 for phone updates.

VIEW ROAD CONDITIONS ↗

511 Notify

Opt in to text or email updates for specific Wyoming highway segments. Also use the Wyoming 511 app.

SET UP 511 NOTIFY ↗

LOCAL ROUTES

Important State Highways to monitor

Check the exact segment before departure; conditions can vary by route. These roads are managed and alerted on by WYDOT.

WYO 22	Teton Pass
WYO 390	Teton Village Road
US 26/89	Snake River Canyon
US 89/191	Jackson to Grand Teton NP
US 189/191	Hoback Canyon
US 26/89/191	Jackson to Hoback Junction
US 26/287	Togwotee Pass

Know who sends which alert

Enroll in both: local emergency alerts and state highway updates.

Teton_WY Alerts

Teton County / Town of Jackson: local emergencies, evacuations, significant hazards, protective actions and local road advisories. Delivered through Everbridge and managed by Teton County WY Emergency Management.

REGISTER FOR LOCAL ALERTS ↗

WYDOT 511 Notify

Wyoming Department of Transportation: state highway closure and advisory updates by route via text or email.

REGISTER FOR ROAD ALERTS ↗

Official forecasts and avalanche risk

Separate forecast providers cover weather hazards and backcountry avalanche conditions.

NWS Riverton

Forecasts, watches, warnings, radar and weather decision support.

OPEN RESOURCE ↗

Bridger-Teton Avalanche Center

Avalanche forecasts, observations and community reporting.

OPEN RESOURCE ↗

FEMA app

Weather alerts, emergency safety guidance and preparedness resources.

OPEN RESOURCE ↗

Local incidents and hazard overview

Teton County Emergency Management provides the local incident hub and hazards viewer.

TCIncident.org

Active local incidents, evacuation status, shelters, protective actions and Town/County emergency road closures.

LOCAL INCIDENT UPDATES ↗

Weather & Hazards Viewer

County overview of weather, roads, alerts, river gauges, wildfire, earthquakes, air quality and outages.

OPEN HAZARDS VIEWER ↗

Know your electric provider

Outage reports and maps are maintained by each utility.

Lower Valley Energy

Jackson and much of Teton County east of the Tetons. Report an outage: (800) 882-5875.

LOWER VALLEY OUTAGE CENTER ↗

Fall River Electric

Alta-area customers west of the Tetons. Report an outage: (800) 632-5726.

FALL RIVER OUTAGE INFO ↗
